

Technical drawing of a CLAMP, showing isometric and orthographic views with dimensions and a note.

Isometric View: Shows the 3D shape of the clamp, featuring a central rectangular body with two circular holes and a flange on one side.

Orthographic Views:

- Top View (A):** Shows the top surface with dimensions: 106 (total width), 53 (width of the central section), 73 (total height), 35 ±0.5 (height of the central section), 19 (height of the flange), and 2x Ø18 (two circular holes).
- Front View (B):** Shows the front surface with dimensions: 83 (total width), 53 (height of the central section), 1 (thickness of the flange), and 4x Ø32 (four semi-circular holes).

NOTE:

- TOLERANCES UNLESS OTHERWISE STATED ISO 2768-cL
- COLOR: BLACK
